SECTION 15. [65 IAC 3-4-4](#) IS AMENDED TO READ AS FOLLOWS:

[65 IAC 3-4-4](#) Procedure for awarding prizes

Sec. 4. (a) Upon the presentation of a lottery ticket **to a retailer with validation capabilities** for prize payment, the retailer shall verify that it is visually consistent with the features of a winning ticket and examine it for any alteration. A retailer shall not make any payment on a ticket which is not:

- (1) a valid ~~instant~~ **scratch-off** ticket within the meaning of [65 IAC 4-1-14](#);
- (2) a valid ~~on-line~~ **draw** ticket within the meaning of [65 IAC 5-1-12](#); or
- (3) a valid pull-tab ticket within the meaning of [65 IAC 6-1-9](#).

(b) Each ~~instant, on-line,~~ **scratch-off, draw,** and pull-tab ticket shall contain a unique bar code. A winning ~~instant ticket, on-line,~~ **scratch-off, draw,** or pull-tab ticket shall be further validated and redeemed **by a retailer with validation capabilities** in the following manner:

- (1) If an ~~instant~~ **scratch-off** ticket, ~~on-line~~ **draw** ticket, or pull-tab ticket is entitled to a prize of less than or equal to twenty-five dollars (\$25), a retailer shall validate the ~~instant~~ **scratch-off** ticket, ~~on-line~~ **draw** ticket, or pull-tab ticket as a winning lottery ticket with the bar code reader and shall redeem a valid winning ~~instant~~ **scratch-off** ticket, ~~on-line~~ **draw** ticket, or pull-tab ticket notwithstanding the location at which the ticket was purchased.
- (2) If an ~~instant~~ **scratch-off** ticket, ~~on-line~~ **draw** ticket, or pull-tab ticket is entitled to a prize of less than or equal to ~~six hundred~~ **five hundred ninety-nine** dollars (\$600), **(\$599) but greater than twenty-five dollars (\$25)**, a retailer may, ~~within its discretion, validate~~ **only upon validating** the ~~instant~~ **scratch-off** ticket, ~~on-line~~ **draw** ticket, or pull-tab ticket as a winning lottery ticket with the bar code reader, ~~and may redeem within its discretion, a~~ **the** valid winning ~~instant~~ **scratch-off** ticket, ~~on-line~~ **draw** ticket, or pull-tab ticket notwithstanding the location at which the ticket was purchased.

(c) A retailer who does not sell instant tickets but has a bar code reader issued by the commission ~~shall~~ **may** redeem an ~~instant~~ **scratch-off** ticket **or pull-tab ticket** presented for prize payment. ~~A retailer who does not sell pull-tab tickets shall redeem a pull-tab ticket presented for prize payment.~~ A retailer who does not sell ~~on-line~~ **draw** tickets shall not redeem an on-line ticket presented for prize payment.

(d) The retailer shall pay any winning lottery ticket with a cash prize of twenty-five dollars (\$25) or less in cash or new lottery tickets with the consent of the lottery ticket holder. Any winning lottery ticket with a cash prize exceeding twenty-five dollars (\$25), but not exceeding six hundred dollars (\$600), shall be paid with cash, check, or money order, at the retailer's discretion. Any noncash prize which a retailer is authorized to deliver shall be delivered in the manner required by the rule applicable to a specific lottery game or as specified by the director.

(e) Any validated winning lottery ticket may be paid by check at the commission headquarters in Indianapolis, Indiana, or at a district claim center after the claimant has completed such winner claim forms as the commission may specify.

(f) Winning lottery tickets received by a person under the age of eighteen (18) as a gift shall be paid by the commission to an adult member of the minor's family or the legal guardian of the minor as custodian.

(g) Holders of winning tickets shall have the right to claim prizes for one hundred eighty (180) days after the drawing or the end of the lottery game or play in which the prize was won. If a valid claim is not made for a prize within the applicable time period, the prize shall constitute an unclaimed prize and the prize money shall be added to the pool from which future prizes are to be awarded or used for special prize promotions.

(h) Until such time as a name is imprinted or placed upon the back portion of the lottery ticket in the designated area, a lottery ticket shall be owned by the physical possessor of such ticket. When a name is placed on the rear of the ticket in the designated place, the person whose name appears in that area shall be the owner of the ticket and shall be entitled to any prize attributable thereto. A pull-tab ticket remains at all times a bearer instrument and shall be owned by the physical possessor of the ticket unless the prize is over six hundred dollars (\$600) and space has been designated on the ticket for including winner information.

(i) In the event it is determined that, for any reason, a prize was paid by a retailer on a ticket which was not a

winner, the person whose name appears on the back of the ticket will be required to reimburse the retailer for said payment. If a retailer pays any claim which was not a winner, the retailer will be held responsible to the commission for the improper payment, even if the person whose name appears on the back of the ticket fails to reimburse the retailer or cannot be located.

(j) A lottery ticket will be considered void if altered, torn, misprinted, illegible, or damaged in such a manner that verification is impossible. If it is determined that a lottery ticket contains a manufacturing defect which makes the lottery ticket appear to be a winner when in fact it is not, the bearer shall be entitled to reimbursement for the full purchase price of the lottery ticket but shall not be awarded any prize. **Reimbursement of the purchase price may, at the discretion of the commission, be in the form of:**

- (1) cash or a cash equivalent;**
- (2) replacement tickets from the same or a different game with the same price; or**
- (3) coupons good toward the purchase of replacement tickets that are equivalent to the purchase price.**

(k) The commission's decision and judgment in respect to the determination of a winning lottery ticket or of any other dispute arising from payment or awarding of prizes shall be final and binding upon all participants in the lottery unless otherwise provided by law or this article. In the event a question arises relative to a winning lottery ticket, or the payment or awarding of any prize, the commission may deposit the prize winnings into an escrow fund until it resolves the controversy and reaches a decision, or it may petition a court of competent jurisdiction for instructions and a resolution of the controversy.

(l) The commission reserves the right to request of the claimant of any winning lottery ticket disclosure of the source of the ticket.
